

WHO IS HE ???

*RAISE YOUR GLASS to the man who is wisest and best,
Raise your glass to the man whose judgement is of the best.
Salute the man who is canny and bright,
Salute the man who sets your imagination alight.
Admire the man who gains your confidence with ease,
Admire his demeanour and out going attitude that all will please,
Cheer the man who is tall and strong,
Cheer the man who makes us feel we all belong,
Praise the man who can turn hatred into love,
Praise the man who can turn a tiger into a turtle dove,
Praise the man who can cure the sick and the ill,
Praise the man who can turn evil into goodwill.
Hail to the man who knows his own destiny,
Hail to the man whose verdict is as sound as sound can be,
He must be the man who is the spitting image of me!!!*

I AM IN LOVE

*I AM WALKING on air, Peter adores me
That I love him too, it is plain to see,
I long to be with him day and night,
When we are together everything seems so right.
Many will say we are living in a romantic dream,
If so, to the paradise of love we will have been.
I am in love, I cannot say anything more.
I just want to be with the man I adore.
I am in love, I am in love, I am in love.*

THE SEA

*THE SEA is calm,
The sea looks blue and warm.
The enticed swimmer enters in,
To relax, enjoy and swim.
Under currents drag him down,
Death fits her fatal gown.
The sea is calm,
It beckons again with a smile.
Beware, the sea, the world
Is full of guile.*
